Re: Noise Waiver Approval: Route 7 Corridor Improvements Project
Record No: NOISE-2022-00088

Date of Commencement: July 22, 2022

Date of Expiration: July 22, 2023

Dear Mr. Meyer:

This letter is in response to an inquiry received June 29, 2022, regarding the installation of concrete barrier/re-striping of existing roadway striping. The activity consists of eradicating the existing striping and painting new stripes on the road to shift traffic to a new traffic pattern. The concrete barrier will be installed in areas where you plan to construct new roadway. Roadway Embankment: Activity consists of moving dirt from one area of the project to another for the new roadway elevations. Also includes importing dirt material for proposed embankments. Modify Signals/Light poles: Activity consists of modifying existing signals and/or light poles at intersections or along the existing roadway. Reconstruction of Existing Intersections: Activity consists of milling up the existing asphalt at intersections and replacing it with new asphalt roadway to proposed new elevations. Erecting Bridge Beams: Activity consists of erecting concrete bridge beams for the new bridge construction of EB and WB proposed bridges over Difficult Run. Storm Pipe/Structure Installation - Activity consists of installing storm sewer and storm manholes for roadway pipe crossings for the new proposed roadway and all associated excavation and backfilling.

Based on the provisions presented in Sect. 108.1-6-1 of the Noise Ordinance, as authorized agent for the Director of the Department of Planning and Development, **I hereby approve** the waiver from Sect. 108.1-4-1(b) of the Noise Ordinance, which prohibits "Any action related to the construction, repair, maintenance, remodeling or demolition, grading or other improvement of real property in the outdoors between 9 p.m. and 7 a.m. on Sunday through Thursday, or between 9 p.m. and 9 a.m. on Fridays, Saturdays, and the day before a Federal holiday."

This Noise Waiver approval is subject to the following conditions:

Administrative Requirements:

PLANNING & DEVELOPMENT

Department of Planning and Development

Zoning Administration Division

Zoning Permits Branch

12055 Government Center Parkway, Suite 829

Fairfax, Virginia 22035-5507

Phone 703-324-4300 FAX 703-324-1343

www.fairfaxcounty.gov/planning-development

- All residential properties, or the property owner's agent abutting the work areas, shall be contacted and provided with a copy of the work schedule and the approved Noise Waiver.
- The information contained within this Noise Waiver shall be disseminated to all persons operating construction equipment or vehicles at night, in association with this project. This condition shall include, but not be limited to, employees, contractors or sub-contractors, and motor vehicle equipment operators.
- A copy of this Noise Waiver must be kept at the construction site, and a copy made available to any person who requests such information.
- If necessary, changeable copy illuminated message signs are to be used to inform the public of the projected duration dates of this project. The changeable copy illuminated signs are to be installed in accordance with the Virginia Department of Transportation's (VDOT) requirements.
- The Department of Public Safety Communications (571-350-1710 or 703-691-2131) shall be notified, every night before there is a partial closure or complete closure of any roads associated with this project.

Noise and Glare Mitigation Requirements:

- **The use of asphalt breakers, and hoe rams between the hours of 9 p.m. and 7 a.m. on Sunday through Thursday, or between 9 p.m. and 9 a.m. on Fridays, Saturdays, and the day before a federal holiday (nighttime) is prohibited.**
- The parking, staging, loading, or unloading of any vehicle associated with this project must be in areas away from residential areas.
- All motorized vehicles and equipment used on this project must be equipped with mufflers.
- All lights used to illuminate the project site, including any staging areas related to this project and subject to this Noise Waiver, shall be directed downward and away from all residential area and occupied commercial buildings.
- The banging of tail gates is strictly prohibited. Brief the drivers associated with this project daily about this prohibition.
- Reasonable efforts should be made to minimize the noisiest activities. These may include but are not limited to minimizing the use of back up alarms, reducing the use of residential streets, and limiting moving of materials in an unnecessarily loud fashion.

Per this noise waiver, the following equipment is permitted:

- Pick-up Trucks/Service Trucks
- Dump Trucks
- Milling Machine
- Paving Machine
- Rollers
- Bobcats
- Excavators/Loaders
- Low-Boys & Hi-Flats
